INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, Thanksgiving is coming, and all I can think about is food, food, food. But I absolutely *cannot* eat my head off that day—you don't want a chubby Lindsey!

So, I've come up with the perfect diet plan: the BARELY LEGAL holiday meal! Instead of gobbling gallons of gravy, I'll be slurping the juices out of Jess's bush. Instead of snarfing up sweet potatoes, I'm going to stuff my face with Ashlee's sweet titties.

Oof! Better slow down a little. I'll just nibble a bit on Meiko's saucy nips. And maybe...just a tiny, tiny helping of Catie's creamy toes. Delicious! Okay, *now* I'm full...

Nope, still hungry! Please pass Cassie's meaty pussy. *Mmm-mmm!* It's perfectly moist and chewy! Yes, of course I have room for dessert. Marianna's split-peach pie or Victoria's luscious chocolate hole? I'll take both!

Yum! BARELY LEGAL girls are so tasty, it's easy to stay thin—and horny, just the way you like me. ;)

CASSIE LAINE

**a real
heartbreaker**

Hello, everyone! It's Stacy the intern. Professional model Cassie *thinks* she's being discreet—but I think she's going to cause a whole bunch of heart attacks. I might have one myself!

Hey, Cassie! Did you like posing nude?

Yes!! It's something I do and would have continued to do in normal life. Why not make it a career? :)

What do you think is your best physical feature?

My eyes.

Do you enjoy exposing yourself in public?

Yes, but I don't want to do it in environments where a child might pop up out of nowhere and be scarred! Or where I might possibly give someone a heart attack. Nude beaches are a good choice!

How often do you masturbate?

Every day if I'm not in a relationship.

What's your favorite method?

Vibrator and blowjob-porn videos. It's the guy part of me. :)

How do you like to be fucked?

I'm open to pretty much any position you can think of as long as it's not hurting me.

What's the best way for you to come?

By eating me out. It's the only way I can get off without a vibrating toy.

Do you like anal sex?

Never done it. My pussy's already tight, could you imagine the other? Ouch!

Where do you like a guy to come?

Pretty much anywhere he likes.

Have you ever had a threesome?

Yes, with two very hot girls.

Oh, goody, you're bi! What kind of girls do you like?

Pretty girly-girls. It's a plus if they're shy!

What kind of guys do you like?

Strong, quietly confident men with the ability to still be a kid sometimes.

Have you ever fucked a stranger?

Yes. Weird. Every time.

What's the wildest thing you've ever done?

I'm not telling. ;)

AGE: 19
HEIGHT: 5-3
WEIGHT: 95 POUNDS
MEASUREMENTS: 32B-24-34
HOMETOWN: PASADENA, CALIF.

How would you describe your dream date?

Going somewhere quiet with lots of scenery.

Do you have a favorite fantasy?

Yes! Outside during summer on a hot day, by a pool.

What's the absolute best sex you've ever had?

On my bed. All night. With Christmas lights hung on my wall. It was sweet and cute.

What are your future goals?

To continue my nudie career! ★

AUGUST 2012 PANTY CONTEST WINNER!

The only thing we girls love more than a nerd is a nerd convert. Marcus, may Lexi's panties be with you!

LEXI

Dear BARELY LEGAL,

Let me start out by saying I love your magazine. What other magazine gives you the chance to win hot, sexy panties worn by hot, sexy ladies on a regular basis? None, I tell you. I have never done anything like this before, but I hope nerdy karma will be on my side.

I never knew hot, sexy babes like Lexi were nerds. Damn, this girl is hot. I definitely would like to get her on my kitchen table in her glorious birthday suit to be my personal all-you-can-eat buffet. I would love to suck each and every bloom off of her delicious, magic pussy-willow flower—yum, yum. She is hot, and she also has beautiful brown fuck-me-oh-so-hard eyes. I love that quality in a woman. And may I say Lexi is definitely

blooming in all the right places. I may have to go jack off before I finish my masterpiece. Focus, focus. That's better.

I don't have any special plans for lovely Lexi's magical loin-cloth. However, should I win her panties, they will be loved, nurtured, worshiped, licked, fondled, and sniffed. I promise to give them a good home. I will take them on long walks—with me wearing them, of course—and I promise never to look at so-called nerdy women the same way again.

Lexi, you can be my one and only nerd goddess, and it would be a real honor to be covered in your sticky, sweet, salty, much-sought-after-I'm-sure feminine nerdiness anytime. Would you consider making me your number-one nerd? I am a true convert and your willing disciple. I would be willing to wear the remnants of your nerdy nectar on my face for light-years. Beam me up, Lexi—I'm on board.

If I am chosen to be the guardian and protector and proud wearer of dear, sweet Lexi's precious crotch guards, then you may print my full name. Thanks for your consideration.

Dear Folks,

Yours is the only mag I subscribe to anymore. Why? 'Cause it's magnificent. What really makes your magazine is the smiles. Wow! *Penthouse* might have one or two okay pictures in their mag. You have at least 80%. Poses are fine—underwear coming off, then the flower. Yeah! Smiles are it! If I need to see frowning women, I need only walk the street.

Lindsey,

It seems like every month you get letters about whether or not your models ought to have bushes, spread their lips apart, use toys for penetration, and every other kind of argument con-

RILEY

Reid and her beautiful smile and open legs, until I drooled over the last page of her layout, and every page in between, wow, my dick was so hard.

And Molly Bennett's beautiful smile, lovely titties, ever-so-suckable/lickable pussy, and great ass—there are not enough words to describe this gorgeous beauty. I know they are not offered, Molly, but please send me the pair of polka-dot panties you wore here. They would look good on my head, taking in your aroma as I stroke my cock for hours on end. *Sigh!*

C.V.
by Internet

Sorry, C.V.—Molly's polka-dot panties are staying put in her undie drawer. :(She's offering a different pair when she comes back next month. That's right—Molly's our December panty-contest girl! Don't miss it!
—Lindsey

ceivable. One thing that I wish you would have the models do more is show off their beautiful smiles.

Take, for instance, the August 2012 issue. Riley Reid does have an adorable dimple, captivating eyes, a perfect body, and incredible legs, but to me her most gorgeous quality is how she's smiling in every single picture!

Please continue having pictorials like Riley's or Lexi Bloom's, as she also smiles in every single picture. It just seems like when some of these girls are not smiling and are looking a little bored and uninterested, they are giving off the persona, to me at least, of "let's get this over with—give me my money and get me the heck out of here!" It might just be me, but I can jerk off to a picture of a pretty girl just standing there with a beautiful smile on, whether she's clothed or not.

Bulldog
by Internet

Bulldog, I'm with you and Anonymous—I love when our girls are smiling. But for some girls, especially the ones who are new at modeling, smiling naturally is hard. If we ask a girl to smile during a shoot and it looks totally fake, we tell her, Never mind, just be yourself. We want her to have her most natural expression, whatever it is.

But you've got me thinking: What do you other guys out there think about smiles vs. no smiles? I'd love to hear from everybody!

One more thing, Bulldog—super smiley Riley is returning for an exclusive BARELY LEGAL Confession! Look for it sometime next year.

—Lindsey

Hi Lindsey,

I received my latest issue of BARELY LEGAL (August 2012). And what an amazing issue this is. From the time I peeled open the package, spotting covergirl Riley

Dear Lindsey,

In response to your August editorial question ("Should girls tell guys what they want in bed?"): Having sex is about giving each other pleasure. But you can't do that if you don't know what you like and don't talk about it. Please tell us, and we will do the same.

M.W.
by Internet

Dear Lindsey,

It's not too "bossy" for a girl to tell a guy what she wants! For example, it's a turn-on for me to know where a girl wants me to squirt my load. After all, if I have saved up all of my jizz just for that one girl for that one moment, then I need to know if she has a "special place" where she wants me to put it—on the tits, butt cheeks, belly, in her, or just anywhere. I can't speak for anyone else, but I want to make sure every drop of my cum gets put where she needs it. You girls have to be satisfied, too. A girl could tell me what needs to be done in bed anytime if it will make her come harder.

I have to go now—all of this erotic mumbling has made me horny and given me a boner. I'm going to go jack off again for that beautiful Diana (August 2012).

Thanks for reading.

Gary
Oregon

Thank you, Gary! You too, M.W.! I always say BL readers are the best guys to ask when we girls have a serious question about sex. Next time I'm in bed with a guy, I'm going to ask him to lick my butt-hole and see what happens. ;)

ASHLEE

man crave

Hey, it's Lindsey. Exactly one year ago, Ashlee was our Teen Queen of the Month. Let's catch up!

Welcome back, Ashlee! Are you still going to cosmetology school?

No, I graduated. Now I work full-time making girls look hot.

Did you ever find a boyfriend?

Yes, but it didn't work out. :(I *hate* getting my heart broken.

I know, it can take so long to get over.

It didn't take me that long this time. I had my girlfriends.

Did you eat a lot of ice cream together?

We ate a lot of pussy together!

Yay! You finally lezzed out! Did you like it?

It was *so fun*. I love the taste of girl juice. **Do you still like the taste of boy juice, or is it all sour now?**

LOL! I still love it. I'm just being *really* careful about hooking up with guys.

What's your ideal guy?

Big, rugged, and unshaven.

Don't their whiskers hurt when they're, you know, in a delicate area?

No, I love the feeling of rough whiskers against my thighs! It turns me on.

What else turns you on?

I love when they smell all sweaty, like they've just been working on their car. Or—*ooh*—building something!

I know what you mean. One time a boyfriend built me a bookshelf and it was so sexy. I gave him the best BJ ever.

If a guy built something for me I would give him *ten* BJ's.

Maybe you need to meet a carpenter.

That's a good idea! Any carpenters out there?

Write to me! ★

MEIKO

darling bud

Hello again! It's Stacy the intern. College freshman Meiko is a plant-sciences major and total wild girl. I didn't know those two things went together!

Hey, Meiko! That's such a pretty name.

Thanks! It means "bud" in Japanese.

Are you Japanese?

Only half. I've lived here my whole life.

Are you into Japanese culture at all?

I'm not so into the cutesy stuff—but I *love* the kinky stuff. Like *bukkake*—that started in Japan, you know.

Do you do *bukkake*?!

No, crazy! I watch it. It's so gnarly.

So you would never want a bunch of guys coming on you?

Dude, I love cum, but one penis-ful is enough.

What's your favorite place for a guy to come?

On my little titties. Make 'em look sexy.

They already look sexy! Do you ever watch any normal porn?

Of course. Watching people straight-up fuck is a turn-on. -->

PHOTOGRAPHY BY STEVEN ANDRES

Do you watch it alone?

No, with my girlfriends.

Do you just watch, or do you...do stuff?

We do a little touching and licking. But we're not really lez—it's just a way to let off steam.

Do you hook up with any guys?

Yeah, there's some cute guys here. I like the computer geeks. They're good at gaming and fucking, my two favorite things.

What's your favorite way to fuck?

I like it rough—spanking, hair-pulling. Face-fucking. I love to choke on a big cock.

What turns you on the most?

Someone biting my nipples.

Do you ever bite back?

If they let me. ;)

What's the roughest sex you ever had?

One time a guy did me so hard up the butt I was screaming... I should give him a call.

What are your plans for the future?

For the way future, I plan to work in agricultural research and end world hunger. But for tonight I plan to crack open a new porno and hang out with my buds. You can join us if you want. ;) ★

BREE OLSON

in it to win it

PHOTOGRAPHY BY CLIVE McLEAN PRESENTS/ALEX DEGROOT

What's up? Sophie the intern here with Bree Olson and the twins. Busty Bree's always wanted to do porn, so how come she waited until she was almost 20? Find out in my awesome interview.

Hi, Bree. Do you have time for a quickie? Uh, I mean, some quick questions?

Sure, sweetie.

What are you into?

I like playing volleyball, watching football, going to the beach, playing in the snow, laser tag...

What do you do besides model?

I go to school. I'm a premed/biology major.

Wow, seriously?

Yeah, I want to be a plastic surgeon.

Cool. You're not going to get plastic surgery, though, right? Your boobs are perfect the way they are!

Thanks. Yeah, no. I just want to get into it because that field is up-and-coming and very popular. I'm sure to get work that way.

So, how did you decide to do porn?

I'm just a nasty girl. I have a nasty mind. This is the perfect business for me. I absolutely love it!

How come you didn't start as soon as you turned 18?

I would have, but I was in a serious relationship at the time. I had a girlfriend for, like, four years. As soon as we broke up—when I was 19 and a half—I saw it as my opportunity and got into porn.

Are you totally into girls, or do you like guys, too?

I love guys. I prefer men over women, even when I was with a woman. I'm done with chicks, as far as relationships go. I still like having sex with them, of course, but I want to get married and have kids someday.

What are your turn-ons?

I love rough sex. Like, *really* rough.

Do you do anal?

I *loo-o-ve* anal. I do it in my movies, and I've been doing it in my private life for a long time.

Are you ever too tired from having sex all day to do it again at home?

Never! I'm always horny. It's funny when people ask about my sex life. My sex life *is* my life.

What's it like being a star?

It's so exciting. I absolutely love it. There are things that I get to do that I would have *never* gotten the chance to do otherwise. I do love the attention, but I also like to make people happy. ★

a BARELY LEGAL diary

by becca tate

Hey! Wow, I can't believe I'm here. Less than four months ago I was an awkward high school senior with, like, no dates ever. Don't laugh, but—I graduated still a virgin. :(

Then I started college. You guys—it's been the greatest month of my entire life! So, when Lindsey asked me if I'd share my diary with you, I was all, Yeah, sure, now that I have a diary that's actually worth reading. LOL! Hope you enjoy!

August 27

First day of college—OMG!!! I am so nervous and excited. I'm taking Comp 101, biology, art, and Intro to Early Childhood Education—that's what I'm majoring in. I've always loved kids. Someday I want my own, but you have to have sex to do that and I'll probably never lose my virginity. College guys are probably even more stuck-up than the guys at my old school. But that's okay. I need to focus on my studies. Here I go!

* * *

Wow, what a first day. My classes all seem like they're gonna be cool (well, except for biology). But what's crazy is I met someone! One day in and I already have a date!

His name is Jackson and he's in comp with me. He came up to me after class and was all, "Hey, I hope this isn't weird, but you are so pretty. What's your name?" That has *never* happened to me, ever. It totally threw me off. But I got it together, and we're going for pizza tomorrow night. He is so cute—like, he could be related to Jacob from *Twilight*. Yummy!

August 28

I had sooo much fun with Jackson. I mean, a lot. We ate pizza and shared a chocolate milk shake. Jackson is really funny. A sense of humor is such a turn-on! Guess that's why I got crazy on the first date.

We made out in his car. He is a great kisser, and it felt so good when he slid his hand up my shirt and rubbed my boobs. I couldn't help myself. My hand just reached out and squeezed his crotch. It feels good to make a guy groan. He asked me if I'd suck it.

It's crazy—I wasn't even scared. I just unzipped his pants and *sproing!* Out busted his peen. It was so big! Touching his dick felt natural. I squeezed it, twisted it, cupped his balls. He moaned—that sound again—*ahhh*,

yes! I licked the tip, swirled my tongue around the head. I loved the warm, salty taste. More, please!

I opened wide and wrapped my lips around the tip, slid my mouth down the shaft. I kept going. I was like, Wow, I can fit this thing all the way in! He pulled my hair and I liked it. His cock throbbed in my throat.

"I'm gonna come," he said.

It was so exciting to know that I was making him do that! He clutched my head and wailed.

"Aww-wawwww-yeauuuhhh!"

SPLOOSH! Huge wad in my mouth. Without a thought, I swallowed. It was the natural thing to do.

Jackson told me I gave the best head ever. OMG. In just one night I have gained so much confidence.

I think I love college.

August 29

Jackson and I made googly eyes at each other all through class today. I keep daydreaming about his dick. Can't wait to do more!

August 31

OMG, I did the wildest thing ever today in comp! The professor handed out these essays from the *New Yorker* (yawn) and had us pair off and break down the writing structure or whatever. Jackson and I were quick to team up. We scooted our desks close to each other and started reading and underlining and taking notes and stuff, but our legs were touching and

we were totally distracted. I put my hand on his thigh and rubbed up and down. What has gotten into me? I am so bold all of a sudden!

He sighed, keeping his head down and pencil to paper so we looked like we were working. I unzipped his jeans and pulled out his boner and just went to stroking. I was all casual, my left hand skimming the page like I was reading. Meanwhile I jerked him, slow then fast. His dick got harder, fatter. He was about to blow. I jacked faster, then BLAM! Jizz. I managed to catch it in my hand. Jackson, like, coughed and sputtered so he wouldn't yell. I tore a piece of paper from my notebook and rubbed his splooge into it.

I can't believe we got away with that! It's the dirtiest thing I've ever done...so far.

September 2

Yesterday Jackson and I went for a hike and a picnic, and it was the most incredible day of my life. Dear diary, I'm not a virgin anymore. Pinch me, am I dreaming?

The hike was really pretty—we even saw a turtle! :D We stopped in a clearing by a creek to eat. Jackson had packed turkey sandwiches, strawberries, and champagne. So sweet! He spread out a blanket and we ate. He fed me berries. I was buzzing off the champagne—I never drink!

We started making out. I stretched out on my back with him beside me, running his hands all over my body. My clit and nipples were hard, like, immediately. I unbuttoned my jeans.

"Touch my pussy."

I could never have even imagined saying something like that just a few weeks ago. So liberating!

He slid his hand into my panties. I was wet already. He wiggled his finger against my clit and dipped it inside my hole.

"Holy crap, you're tight," he said.

Should I tell him? "I'm a virgin," I said. "But I'm ready."

"Oh, wow," he gasped.

I pulled my jeans to my ankles and spread my legs. He inched his finger deeper inside my cooch. It felt so good. I pulled off my shirt. No bra, so I was officially naked. Jackson licked my boobies, still fingering me. I was so horny. I wanted him inside me.

"You wanna put it in?" I panted.

He didn't say anything. He scrambled out of his pants. It was hot to see him so worked up. His cock was blazing. I stroked it, guided it toward me. He kneeled between my legs and nudged the tip inside, slowly inching into me.

I won't lie—it hurt a little. But only a tiny bit, and only at first. Jackson was gentle. He didn't just, like, jam it in. I was so tight, it took a minute for my pussy to adjust to something that big. But once we got into a rhythm, it was, like, the world's greatest feeling.

I wrapped my legs around his waist. He cupped my booty and pumped. I raked my fingers up and down his back. I loved the sounds he made. Hearing him moan made me feel so sexy.

"It's too good," Jackson panted, his voice trembling. "I'm coming."

He raised up, threw his head back. He yanked out his dick and spewed cum all over my boobs and belly.

It's official. I'm a real woman.

September 4

Back to class today. :(But it was nice to see Jackson. Hard to focus on studies, though!

Still have to finish my homework tonight. But I got distracted. I was so horny this afternoon I had to masturbate. LOL! I had this weird urge to watch myself do it in the mirror. That was a first, and it was hot!

I stood in front of the mirror and undressed myself. I liked watching my clothes fall to the floor. I rubbed my boobs, squeezed my nips till they were hard. I ran my hands up and down my belly, between my thighs. I wiggled my finger against my hole. Sooo wet!

I sat down on the carpet and spread my legs. I never realized how cute my pussy is! I just, like, studied it for a sec—it's kind of like a flower. Not to be conceited, but I was turning myself on.

I wanted to see what I looked like from behind. I got on my hands and knees with my backside to the mirror. I turned to watch my fingers slide between my lips. OMG, I wanted to come! I rested my head against the carpet and rubbed my pussy. Juice dripped down my hand and arm. I started shaking. My face was burning. I blew up.

"Aunnnghhhkkkkk!"

Whew.

What has gotten into me?

* * *

OMG, dying of embarrassment. The girl across the hall just knocked on my door and asked if I was okay.

"I heard a noise," she said.

I must have turned purple blushing. I was stammering. "Oh,

I was just so frustrated with my biology homework I had to, like, scream."

"Totally understand. I get that way about my lit class," she laughed. "But I'm a science nerd. If you ever need help, just knock. My name's Dani."

"Thanks," I said. "I'm Becca. Sorry I screamed."

"No worries."

I really need to be careful about how loud I am when I gazz—LOL!

Wow, BTW. Dani sure is pretty. Not that I think about girls that way. But I might take her up on her offer to tutor me. I mean in biology. Nothing else!

September 5

Bio quiz tomorrow! I started panicking, so I hit up Dani. She answered the door wearing nothing but a Seattle Seahawks jersey and boy-short undies. I was startled for a sec, but what's the big deal, right? We're all girls here.

She was so nice. Her desk is tiny, so we stretched out on the floor with Diet Cokes and BBQ-flavored Lays. I had my laptop, scribbly notes, textbook, and handouts spread all over the place. Dani drew a picture of a cell. She wanted me to label all of its parts. I could remember, like, nucleus, cytoplasm, and cell membrane, and then I went blank. I was frustrated. Plus Dani smelled good, which made it hard to concentrate. I asked what her perfume was.

"Herbal Essences shampoo."

I laughed, grabbed a section of her long blond hair, and

sniffed. She stared at me.

"You look so exotic," she said. "I love that."

I blushed. My heart thumped.

"Thanks," I said. "But you're the most perfect all-American blonde on the entire planet. I wish I was like that."

"Whatever," she said.

Dani ran her hand across my tits. I should have jumped up all offended since I'm not lez, but it felt so good I wanted her to keep doing it. So I lifted my shirt and pulled my boobs out of my bra. I wanted her to lick my tits, and that's exactly what she did.

Her tongue was so hot. She licked and sucked. My pussy was, like, screaming. I wanted her to lick it so bad. And again, I didn't even have to say anything, 'cause the next thing I knew, she was between my legs.

Dani wrapped her lips around my cooch and sucked it. OMG, I've never felt anything like it. She wiggled her tongue against my clit, clutched my ass. She slathered my pussy, dragged her tongue up and down. I was gushing. I was gonna come so quick.

"Fuck. Don't stop. Fuck. YEAHHHHHHHH!!!"

I lost it. I don't know if I've ever come like that.

"Yeah," Dani said, burying her nose in my cooch. Guess she liked the scent.

So nice. Then all of a sudden, a knock at the door and hi! Her boyfriend busted in.

"What the fuck!"

I almost died. I recognized him from my comp class. (He's

hot!) I'm so scared he is going to tell Jackson and, like, everybody else who has ever existed.

September 7

Okay, yeah. Dani's dick BF told the whole world. Jackson freaked and dumped my ass. Whatever. Sue me for exploring my sexuality. This is college!

September 8

Dani is blowing my phone up. Guess I'll call her back.

* * *

What?! Dani and her guy want a threeway! I am thinking about it...

Okay, I'll go over there. Won't hurt to visit, right?

September 9

Last night... O. M. G!!!

I went to Dani's room feeling kind of on guard 'cause I didn't want to do anything if her BF was going to tell everybody on campus. But to be honest, my clit puffed up the moment I got there. They're both so gorgeous. I wanted to take part, even if I was pissed at Gabe for being a gossip.

Dani was like, "Sit down between us." So I did. They didn't waste any time. Gabe ran his hand up my thigh, my belly, my tits, cupping them and pinching my nips. Meanwhile Dani was licking my neck and stroking my hair. I never dreamed of having two hot people on me all at once. I don't think my pussy has ever felt that wet.

"Lie down," Dani said. I lounged on my back. They pulled my clothes off, then got naked, too.

"You should lick my pussy," Dani said. She got on the floor and spread her legs. I crouched, my ass in the air, and plunged my tongue into her pussy. She moaned, rocked her hips. It was hot to make a girl feel like that. Meanwhile...

"You've got a fine fucking ass," Gabe said, spreading my cheeks and thumbing my toot. It freaked me out for a second to have my asshole rubbed, but once I got used to it I was like, OMG, this is the best feeling.

Still massaging my booty-hole, Gabe spread my lips and nudged his dick into my pussy. Wow, I was wet. He slid in with, like, no effort. Meanwhile I was totally into slurping Dani's cooch. I loved the way she tasted, the way she smushed her pussy into my face.

Gabe clutched my waist and thrust deep. My clit was swollen to bursting. I sucked Dani's juices, clutched the carpet. I was coming. We all were.

"Awww, fuck!!!" Dani wailed, hips thrashing. Pussy juice flooded my mouth.

Gabe exploded. "YEAUUUHHHH!!!" I didn't know a cock could go that deep. It hit something inside me, and I lost it.

"FAUUUUUUKKKKKK!"

I totally screamed. Oops! Good thing our dorm advisor didn't come knocking!

September 10

I got a D on my bio quiz. :(I have GOT to get my mind focused back on studying. I mean, IDK. I knew college would be better than high school, but nothing like this!

I wonder what Gabe and Dani are doing tonight... ★

MARIANNA

good to the bone

It's your friendly neighborhood intern, Stacy. Marianna had a bad reputation in high school—and she's doing her best to keep it going!

Hey, Marianna! Did you like posing nude?

I loved it. I always knew it would be awesome.

Always since when?

Since high school. I *wanted* to do it as soon as I turned 18, but my parents were all, "Not while you're under our roof." Now I'm under my *own* roof and I can do whatever I want.

So you were a good girl until graduation?

LOL! I was never a *good* girl. They just didn't catch me at the other stuff.

What other stuff?

Having sex, partying, cutting class...

Did you have a lot of sex?

A *ton*. Because a. Sex feels awesome, and b. I don't care what people think.

Did people at your school talk about you?

Of course! Guys bragged—which, whatever, that's fine—and girls got all catty. I feel sorry for virgins, actually, because they don't even know what they're missing.

Are you still having lots of sex these days?

More than ever!

Where do you meet guys?

At the restaurant where I work. Whenever I wait on a hot guy, I write my phone number on his check.

Very subtle. Do they always call?

Almost always. If they don't—oh, well—they lost out on an amazing blowjob.

What's amazing about your blowjobs?

The love and care I put into them.

Do you swallow?

Of course—although, one time a guy really wanted to come in my hair instead.

Did you let him?

Yes. I'm open to almost anything.

Are you open to sex in public?

If cars count, yes. I love car sex. My best time ever was in this really hot customer's car during my ten-minute break. It was fast and furious. LOL!

Are you open to having anal sex?

Open? It's usually my idea!

Guys don't ask you for anal?

Hardly ever. I think they've been turned down too many times. More so-called good girls missing out on something awesome.

You sure do make being bad sound good.

Well, to me being bad means freedom, never judging, and never being judged. That's good, isn't it? ★

JESS

student of love

PHOTOGRAPHY BY CLASSY CONTENT

Hey, it's Lindsey. The last time we talked to Jess (July 2012), she was three weeks away from high school graduation and freedom...to hook up with her teacher, Mr. X!

Well? What happened? I'm dying over here!

Okay, okay. We did it!

And? Was it worth the wait?

Omigod. It was so intense and amazing, I started crying.

Embarrassing!

It would have been with anybody else, but he was so sweet to me.

You weren't a virgin, were you?

No, but the sex I had with my high school boyfriends—I wish I could erase it. It shouldn't even count.

Was Mr. X that good?

Yes! He's a *man*.

How did he react when you finally unveiled your bush?

He got the hugest boner I've ever seen in my life!

Well, he said he had a big graduation present for you. LOL!

No, for real, I put my hand around it, and it was so hard it felt like actual wood. Like a *bat*.

Was it so big it hurt?

No, he got me really wet first. Other...*boys* have licked my pussy, but this was beyond.

What made it so good?

I could just tell he really wanted to do it. I mean, he didn't even want to stop. He buried his whole face down there and was licking and sucking and, like, snorping up the smell.

You smell down there?

Not *smell*. I have a scent. He said he wished he could bottle it and wear me every day.

Aww. So, are you still together?

Yep! We just had our four-month anniversary. Sometimes I meet him for lunch at my old school and I can see people whispering, but I don't care. We're in love—deal with it!

Do you think you'll get married?

I hope so. I've been saving anal for marriage, and I don't know how much longer I can wait! ★

One of our favorite *Slumber Party* girls ever is back! Adorable **Mia** from Hilo, Hawaii, first appeared in our May 2009 issue, when she was only 18. The now-legal-in-every-way hottie loves to model nude, so why did it take her so long to do it again? Oh, she's just been busy with her favorite pastime of fucking, fucking, and more fucking, especially "doin' it nice and wet at the beach." Mia says she still gives amazing head, "but I also like getting some before a guy finds out how tight my pussy is. Aloha!" In our humble opinion, this 5-1 cutie could easily make it as a professional model here in L.A., but she's staying put on her beloved island: "Am I tempting you to come look for me in Hawaii, or just come where you are?" That ship has already sailed, Mia. —photos by friend

BARELY LEGAL BOX OFFICE

We girls at BARELY LEGAL think the best person to judge the realness and hotness of a legal-teen video is a real, hot legal teen. Here to review our latest release is this month's guest critic, Meiko.

You're doing so awesome, Bailey!

THE BARELY LEGAL BOMB!

BARELY LEGAL #130

HUSTLER Video. Director: Otto Bauer. Starring: Maddy O'Reilly, Kelly Surfer, Molly Bennett, Bailey Blue, Melanie Raine, Will Powers, Alex Gonz, Tommy Gunn, Rocco Reed, and Otto Bauer.

Lindsey picked me to review the movie this month because she thinks I'm a total porn addict. Guess what? She's right! I watch butt-loads of it, so you can take it from me: *BARELY LEGAL #130* has the prettiest girls of any movie out there. There are *no* fuggos. You won't even know where to begin when the menu pops up—unless, like me, you have been painfully crushing on Molly Bennett ever since she was in the May issue of BL. You guys, she is even more insanely cute in action—and she's *loud*, especially when she's slamming her body down cow-girl-style on Tommy Gunn's peen. Her poor little throat is so sore by the end, only Tommy's hot jizz can ease the pain. LOL! Kelly Surfer is also adorable—and *spunky*. The crazy girl tries to deep-throat Will Powers, whose boomerang cock could choke a horse. Kelly's already gasping for air halfway down, but she just keeps bobbing away. And they say pretty girls don't have to work hard! Actually, there's *one* pretty girl who doesn't break a sweat—Megan Fox look-alike Melanie Raine. She gives good, gooey head, but when Otto Bauer bones her, she just kind of lays there relaxing and looking off to the side. I *think* she's watching herself in the video monitor. Yes, you're gorgeous, Melanie! I prefer a girl who forgets about the camera—like Maddy O'Reilly. Seriously, her scene with Alex Gonz looks *real*. Alex keeps grabbing her face to kiss her, and they whisper to each other and breathe real heavy and get all shaky. I felt like a peeping Tom watching them—which is definitely a turn-on! Also a turn-on: sweet Bailey Blue. When Rocco Reed compliments her during an awesome BJ, she's all, "Thank you, I appreciate it." So polite! I would die to leave my own mark next to the lipstick-kiss tattoo above her cooch. In fact, I'd love to smear my lipstick all over every one of these girls—even Melanie. That's a four-star movie!

To order your copy, please go to page 100.

Uh-oh! Kelly does *not* have a boomerang-shaped cooch.

Molly is totally

HOMETOWN: LITVÍNOV, CZECH REPUBLIC

Hey, it's Lindsey. Professional model Victoria is a *teeny* bit older than barely legal—but how could we pass up this hotness?!

Hey, Victoria! You came a long way to pose for us. Yes, I live in Czech Republic, but I'm used to traveling to faraway places to work as a model.

What's your favorite place to visit?

Here, of course! I also love Paris. I feel so glamorous when I shoot photos there.

What made you want to be a model?

When I was very, very small, I saw an ad for Wonderbra and thought, I want to do that when I grow up. Then years later I found out that the Wonderbra model was Eva Herzigova, who comes from my hometown. It seemed like fate.

It's kind of ironic, 'cause you totally don't need a Wonderbra.

I know, I'm lucky to have a very womanly body. I love my curves.

Me, too—especially your amazing booty.

Would you like to spank it?

Yes, please! [Spanks Victoria.] Ooh, it's so tight!

Does getting spanked turn you on?

It does normally, but you didn't do it hard enough. Men spank way better. They have big rough hands.

Sorry. :(So, you only like guys?

No, I like girls—but they have to know how to use a dildo and be nasty. They can't be all girly and giggly. **How nasty do they have to be?**

Lick-my-buttole nasty.

Do you like when guys lick your buttole?

I like anyone with a tongue to lick my buttole!

Do you do anal?

I love anal. It makes me come the hardest, and it's the nastiest.

Do you ever want sex that isn't totally nasty?

Sure! I would love to fuck at the top of the Eiffel Tower someday. It's a goal of mine.

What are your other goals in life?

I already reached one—I'm going to be in *Hustler* next month (December 2012). After that, I just want to keep going up and up and up! ★
